## Noise Isolating In-Ear Monitors

The iconic Wi Sure-Ears Personal Reference Monitors are designed to look, fit, feel and sound like no other In-Ear monitors. The solid brass construction delivers crisp highs and thundering low tones to satisfy the most demanding user.

Die ikonischen Wi Sure-Ears Personal Reference Monitors sind so ausgelegt, dass sie wie keine anderen im Ohr getragenen Monitore aussehen, passen, sich anfühlen und klingen. Die solide Messingkonstruktion liefert knackige Höhen und donnernde Bässe auch für anspruchsvollste Benutzer.

Les Wi Sure-Ears Personal Reference Monitors emblématiques sont conçus pour avoir un aspect, un confort, un toucher et un son unique pour des oreillettes. La construction solide en cuivre propose des aigus clairs et des graves profonds pour satisfaire les utilisateurs les plus exigeants.

Los Wi Sure-Ears Personal Reference Monitors icónicos están diseñados para observar, ajustar, sentir y escuchar el sonido como con ningún otro monitor de oído. Su sólida construcción de metal proporciona altos nítidos y tonos bajos potentes para satisfacer a los clientes más exigentes.

象徴的な「Wi Sure-Ears Personal Reference Monitors」は、他のイヤーマニターとは全く異なる外観、フィット、感覚、サウンドを持つように設計されています。真鍮構造によって、最も要求の厳しいユーザーを満足させる鮮やかな高音と、轟くような低音を実現しています。

## Noise Isolating In-Ear Monitors Optimized For Bass, Drums & Keyboards

Wi<sup>TM</sup> DIGITAL SYSTEMS

## Welcome to the latest innovation in Personal Reference monitoring!

Inside the Wi Sure-Ears Personal Reference Monitors you'll find the product of our passion. A refined and perfected proprietary In-Ear driver design, engineered to deliver the highest sound quality. And of course, the sound that made Wi Digital Systems famous - brilliant instrumental sounds and vocals with crystal clear high notes, defined mid range, and rich, powerful low end that will satisfy the most demanding user..

### The Sure-Ears Technology

Wi Digital's new Sure-Ears Personal Reference Monitors are uniquely designed using our premium 10mm Permanent Magnet Dynamic Loudspeaker in a solid brass housing, optimized to deliver an exceptional sound experience to match your passion for your bass, drums and keyboards.

### Noise-Isolating

Wi Sure-Ears noise-isolating reference monitors can provide -26dB of isolation and passive noise cancellation when properly worn.

### Ultra-Comfortable Secure-Fit!

Designed to look, feel and fit like no other In-Ear monitors, the feather-weight Wi Sure-Ears monitors are incredibly easy to wear even for an extended time. Engineered with bendable metal reinforced ear loops, the Wi Sure-Ears monitors are superbly constructed to ensure a comfortable fit and secure placement that will not slip or move.

### Sweat-Proof!

Designed to withstand heavy perspiration, the Wi Sure-Ears monitors can be used in all types of weather and environments.

### Exclusive Tangle & Kink Resistant Cable

Wi Digital's exclusive tangle and kink resistant cable is designed to resolve itself quickly and easily with a simple and gentle shake.

### Broad Compatibility

The Wi Sure-Ears Personal Reference Monitors are fully compatible with wireless transmission systems and portable media devices.
